## AUSTRALIA'S GREATEST PIE

Whilst the best recommendation is from the many customers who come back time and again for their favourite Baked Provisions products, our pies have clearly also been enjoyed by the judges at many of the country's leading shows and competitions.

With almost a thousand entries, the Baking Association's top prize is keenly contested by bakeries from around Australia. It's a prestigious award, adjudicated by professional industry experts, who all know a thing or two about pie. So we were delighted when our famous Meat Pie was judged to be "Australia's Official Greatest Pie" - the most prestigious award a pie can get!
